Sponsors

Sponsorship is very important to the Gordonvale Golf Club as it provides the needed injection of funds for the general running of the club / course and also promotes a working relationship with our sponsors by advertising their business or product around the course or through local media.

At Gordonvale Golf Club we believe that sponsorship is a joint venture and should be a two way benefit for all parties involved. Sponsorship Packages have been formulated to ensure any business or individual participating in the scheme will receive extended value for their money when investing in any of our Club Sponsorship Packages that are on offer.

A Sponsorship Package can be formulated to accommodate any type of budget no matter how small or large.

Sponsors can select from the packages on the following pages or call the club to organise a package or deal to suit your budget or circumstance.

We can also organise Charity Days, Corporate Days, Trades Days or just a fun Social Day - just let us know your requirements and we will be there to assist.

Our Course

The Club

The Gordonvale Golf Club is located at the foot of Walsh's Pyramid Mountain in Gordonvale. The picturesque 18 hole course consists of a mixture of 9 Links holes and 9 bush setting holes catering for all individual golfing standards.

Course

The Course was initially developed as a 9 hole links course on the inside of the Gordonvale Turf Club's race track. Another 9 bush setting holes was later developed on the outskirts of the race track and completed in 1991.

Charity Days - Trade Days - Corporate Days

The Gordonvale Golf Course is an ideal venue for just about any type of organised competition from Charity Days to Trades Days to Social Club Days or Informal Corporate Days with our 30 carts catering for 60 people wanting motorised transport and more with those wanting to walk.

If required contact our manager for more detail and any discussion necessary.
